FROM: Fire Chief, Kevin Nunn and Deputy Fire Chief Jason Brown
RE: Training and Education 2026

Within the Investigator's recommendations, two elements were consistently discussed: Training and Leadership. Leadership is being addressed through Performance Improvement Plans and in various forms of communication. As discussed with the Captains, daily training and physical fitness are required every shift. Many external elements of training were already in process. This is a typical year's worth of training that NTFD offers.

Recruit Academy – TEAD (January – June), Instructors Welcome
Winter Fire School – UFRA (January), NTFD with 6 students, 1 Instructor
EMS Refresher – MWA (January), NTFD with 15 students
NFA Preparation for Initial Company Officers – Wasatch Fire (January), 2 students
Fire Services Instructor – NTFD (February), 10 students
Hazardous Materials Technician - SFMO (February), 4 students
Wildland Urban Interface Conference Reno – IAFC (March), Nunn/Walton presenting
March Mayhem Regional Training Boise – IFCA (March), Gans, Clark, Bechtol, Unsworth
Command Training Center – NTFD (March), 10 Students
FDIC Indianapolis – IAFF (April), NTFD with 2 students
NFA Command and Control Incident Operations Emmitsburg, MD – NETC (April), 3 students
Apparatus Driver Operator Pumper/Aerial – NTFD (May – July), 22 students
Engine Academy (May) – UT-DNR (May), 6 students
Fire Inspector I (October) – NTFD Sponsored (Registration Open)
Fire Officer I (November) – NTFD Sponsored (Registration Open)

Firefighters must take the initiative to engage in these courses (most of them are free). Firefighters are always encouraged to find external opportunities and we compensate them for their time in class. We have budgeted over \$32,000 in training costs for 2026.

Fire Chief Kevin Nunn

Deputy Fire Chief Jason Brown

Board of Trustees

Rick Pollock – Board Chair * Scott Bissegger – Board Member
Mark Herrera – Vice Chair * Kurt Stephenson – Board Member
Steve Manzione – Treasurer * Daniel Boone – Alternate
