RE: Award of Bid #NTFD202218555

Per section 5.2 of the RFP #NTFD202218555, attached is the award publication which includes:

A – The name of the offeror to which the contract is awarded and the total score awarded by the evaluation committee to that offeror.

- The contract was awarded to Vendor D – Les Olson Company. Vendor D received a total score of 65 points.

B – The justification statement under UCA 63G-6a-707(10)

- The proposal with the highest total combined score provided the best value to the NTFD
- This vendor received the highest total score given by the evaluation committee
- This vendor offered the lowest cost
- This vendor offered Software Security and Remote Access Bundle as part of the Managed IT plan

C – The total score awarded by the evaluation committee to each offeror to which the contract is not awarded, without identifying which offeror received which score.

- Vendor A total points = 36 points
- Vendor B total points = 51 points
- Vendor C total points = 58 points
- Vendor D total points = 65 points
- Vendor E total points = 46 points
- Vendor F total points = 53 points
- Vendor G total points = 55 points
- Vendor H total points = 58 points
- Vendor I total points = 63 points
- Vendor J total points = 57 points
